

Cooperation Agreement between STRATFOR and *EurActiv*

STRATFOR and *EurActiv* would like to form a collaboration in which information, reports and opinions will be shared.

Within this relationship STRATFOR will receive regular information or reports from *EurActiv*, as well as breaking critical items of certain events of interest to STRATFOR. The information from *EurActiv* will come primarily from the European Union, but also information the organization receives from the surrounding region and globally.

STRATFOR in return will share information on a regular basis with *EurActiv* in areas of its main focus. STRATFOR analysts will be available for interviews, sometimes exclusive interviews with *EurActiv*. STRATFOR will also provide complimentary accounts and access to www.stratfor.com for the journalists you designate, which will allow them to quote from and reference STRATFOR analysis.

Our two free weekly analyses (Friedman on Geopolitics and Burton/Stewart on Security) may be republished and our "dispatch" videos can be reposted by *EurActiv* at any time. Any other article or video from our paid content you wish to reprint or post in its entirety should be requested on a case by case basis.

Both STRATFOR and *EurActiv* will support each other with background information and research at the request of the other. The collaboration and cooperation between STRATFOR and *EurActiv* shall evolve over time as each group's priorities and focus shift and change.

The points of contact between STRATFOR and *EurActiv* will primarily be STRATFOR's Marko Papic and *EurActiv*'s Managing Editor, Daniela Vincenti Mitchener

EurActiv also took note of its positioning on Stratfor's website as
